Finish the remodel of this country home and make it your own. It is situated on nearly half an acre, with an extra water tap, power pole, and septic tank that used to service a mobile home. Tons of updates have been completed (refinished hardwood floors, new metal roof, new windows, Bath Fitter tub surround, and more), some have been started (new stone-look siding, materials are on-site to finish), and some are ready for you (kitchen updating, a/c install, etc). Cash or rehab loans only.
